

Town of Millbury

Electric Supply Product Summary: Millbury Power Choice Standard *From Millbury Power Choice*

You will receive an electric supply product from Millbury Power Choice. Your electric utility will continue to deliver the electricity you use to your home.

Price	15.540 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.
Term	The above price will remain constant from enrollment to December 2024.
Early Cancellation Fee	There is no cancellation fee. You may leave this product at any time after you have enrolled with no fee or penalty.
Automatic Renewal	You will be automatically enrolled at a new price at the end of the contract term unless you inform the Town otherwise. The new price may be higher or lower than the existing price and the voluntary renewable energy content may change. The Town will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
Renewable Energy Content	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 51% renewable energy resources in 2022, 59% in 2023 and 62% in 2024. This product meets the minimum requirement.
Rescission Period	If you received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt-out and not be enrolled. You may leave this product at any time after you have enrolled with no fee or penalty.
Competitive Supplier Information	Millbury Power Choice is a Program of the Town of Millbury: MillburyPowerChoice.com . The Program is served by Direct Energy, DPU license number: CS-047, (866) 535-2052. Direct Energy is only responsible for the electric generation portion of your bill.
Electric Utility Information	National Grid will continue to deliver the electricity that you use in your home and is responsible for the delivery charges that appear on your monthly bill. If you have questions about the delivery portion of your bill, contact National Grid at (800) 322-3223, or by visiting its website at https://www.nationalgridus.com/ma-home/ .
The Massachusetts Department of Public Utilities recommends that consumers visit the Energy Switch website to view the broad range of available electric supply products, including your electric utility's basic service price. You can visit the website at http://energyswitchma.gov .	

Products described as Green contain additional Renewable Energy Certificates (RECs) above that required by MA law. The additional RECs qualify for MA Class I designation from generation located within, or delivered to, New England.
